DOLPHIN

A close-up photograph of a chair seat upholstered in brown leather. The leather has a natural, slightly textured appearance. The seat is finished with a decorative white or light-colored stitching that forms a repeating diamond or lattice pattern along the curved edge. A portion of a light-colored wooden leg is visible in the lower right corner, showing a natural wood grain. The background is a soft, out-of-focus gradient of light and dark brown tones.

SWING CHAIR

A close-up photograph of a chair's backrest. The main part of the backrest features a dark, ribbed or pleated texture, possibly made of fabric or leather. A smooth, dark, leather-like material forms a curved trim along the top edge of the backrest. The lighting is dramatic, highlighting the textures and curves. In the background, a portion of a chair seat with a striped pattern is visible but out of focus.
